criminal justice realignment program in West Contra Costa County.

This contract meets the social needs of the County's population by providing specialized substance abuse treatment services so that adults with co-occurring mental disorders are provided an opportunity to achieve sobriety and recover from the effects of alcohol and other drug use, become self-sufficient, and return to their families as productive individuals.

On July 13, 2021, the Board of Supervisors approved Contract #74-439-17 with Bay Area Community Resources, Inc., to provide SAPT services including, but not limited to, individual and group counseling services for offenders referred through the AB 109 criminal justice realignment program in West Contra Costa County, in an amount not to exceed \$299,236, for the period July 1, 2021 through June 30, 2022.

On May 17, 2022, the Board of Supervisors approved Amendment Agreement #74-439-18 to increase the contract payment limit by \$85,516 to a new payment limit of \$384,752, effective January 1, 2022, to provide additional SAPT services, with no change in the original term July 1, 2021 through June 30, 2022.

BACKGROUND: (CONT'D)

Approval of Contract Amendment Agreement #74-439-19 will allow the contractor to provide additional SAPT services through June 30, 2022. The delay of this amendment was due to the resurgence of COVID-19, which created service interruptions, productivity declines and cash flow issues with the community based behavioral health service providers.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, County clients will not have access to this contractor's services.
