women and their children, in order to prevent perinatal substance abuse and improve birth outcomes.

On June 8, 2021, the Board of Supervisors approved Contract #24-429-72, with Ujima Family Recovery Services, in an amount no to exceed \$3,273,091, to provide residential and outpatient treatment for pregnant and parenting women and their young children, for the period from July 1, 2021 through June 30, 2022.

In October 2021, the County Administrator approved and the Purchasing Services Manager executed Administrative Agreement #24-429-73, effective July 1, 2021, to allow for non-material changes to the payment provisions and fee schedule, to reflect the intent of the parties, with no change in the original payment limit of \$3,273,091, and no change in the original term of July 1, 2021 through June 30, 2022.

On February 1, 2022, the Board of Supervisors approved Amendment Agreement #24-429-74, effective February 1, 2022, to modify rates for residential treatment for pregnant and parenting women and their young children, with no change in the original payment limit of \$3,273,091, and no change in the original term of July 1, 2021 through June 30, 2022.

BACKGROUND: (CONT'D)

On April 12, 2022, the Board of Supervisors approved Amendment Agreement #24-429-75, effective January 1, 2022, to modify rates for residential treatment for pregnant and parenting women and their young children, with no change in the original payment limit of \$3,273,091, and no change in the original term of July 1, 2021 through June 30, 2022.

On May 3, 2022, the Board of Supervisors approved Amendment Agreement #24-429-77, effective April 1, 2022, to modify rates for residential treatment for pregnant and parenting women and their young children, with no change in the original payment limit of \$3,273,091, and no change in the original term of July 1, 2021 through June 30, 2022.

Approval of Contract #24-429-78 will allow contractor to continue to provide services through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, pregnant and parenting women will not receive the alcohol and drug treatment services they need which may result in perinatal substance abuse and additional risk to their babies.

CHILDREN'S IMPACT STATEMENT:

This Alcohol and Drug Abuse program supports the Board of Supervisors' "Families that are Safe, Stable, and Nurturing" community outcome by providing parenting education, stability, and safety for mothers (and their children) and pregnant women who are alcohol and drug dependent, while they are in substance abuse treatment. Expected outcomes include delivery of drug-free babies, decreased use of alcohol, tobacco and other drugs, reduction in the number of relapses, and creation of a sober social network.
