for a work release program, which our County has operated since 1983.

BACKGROUND: (CONT'D)

Inmates accepted into the program provide public service labor at no cost to the County while relieving housing costs associated with incarceration. Assigned inmates report to work sites, perform tasks that might not otherwise be funded, and satisfy court judgments.

CONSEQUENCE OF NEGATIVE ACTION:

The consequence of a negative action on this request would reduce the number of approved work sites by approximately 75 percent.

CHILDREN'S IMPACT STATEMENT:

None.
