County. The contractor has been providing these services since March 1, 2007.

On November 2, 2021, the Board of Supervisors approved Novation Contract #74-304-13 with Fred Finch Youth Center, in an amount not to exceed \$1,503,789, to provide implementation of the MHSA Community Services and Supports Program for the period from July 1, 2021 through June 30, 2022, which included a six-month automatic extension through December 31, 2022 in an amount not to exceed \$751,894.

Approval of Novation Contract #74-304-14 replaces the automatic extension under the prior contract and allows the contractor to continue providing services through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, effective implementation of the MHSA Transitional-aged youth services and support programs will be delayed leading to reduced level of services for the County's mental health clients.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
