Subject: Appropriation Adjustment - County Service Area P-6 Zones - Special Tax Levy - FY 21-22

---

**RECOMMENDATION(S):**

APPROVE Fiscal Year 2021-22 Appropriations and Revenue Adjustment No. 5070 increasing revenue and appropriations in the amount of \$144,000 in various special tax levy zones within County Service Area P-6 to reflect anticipated revenue and expenditures.

**FISCAL IMPACT:**

This action increases revenue and appropriations by \$144,000.

**BACKGROUND:**

This action adjusts the total expenditures and revenues for County Service Area (CSA) P-6 Zones by a total of \$144,000. In July of each calendar year, the Board of Supervisors authorizes the special tax rate to be levied upon parcels in each CSA P-6 Zone based on the June CPI-U indicator released by the Bureau of Labor Statistics (BLS) as discussed in the fiscal impact section. Due to the significant amount of parcels in CSA P-6 zones, only the cumulative special tax amount is included in the fiscal impact section. Information regarding specific parcel taxes in particular zones is available for inspection in the Sheriff's Fiscal Services unit.
