

**Contra
Costa
County**

To: Board of Supervisors
From: Brian M. Balbas, Public Works Director/Chief Engineer
Date: August 9, 2022

Subject: APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a contract amendment with ICF Jones & Stokes, Inc.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a contract amendment with ICF Jones & Stokes, Inc., effective August 16, 2022, to increase the payment limit by \$200,000 to a new payment limit of \$550,000 for On-Call Environmental Services, with no change to the term September 15, 2018 through September 14, 2023, Countywide.

FISCAL IMPACT:

Work performed under this On-Call is funded by (45%) Flood Control Funds, (45%) Local Road and Transportation Funds, (6%) Capital Project Funds, and (4%) Airport Enterprise Funds.

BACKGROUND:

Contra Costa County Public Works Department (Department) builds, improves, and maintains public infrastructure facilities throughout unincorporated Contra Costa County including roads, flood control facilities, capital projects, and airports. As a public agency, projects must comply with applicable federal, state, and local environmental regulations. The Department Environmental Services Division assesses projects to determine potential

environmental impacts and identifies measures to avoid and minimize potential impacts with the assistance of technical specialists provided by the On-Call Environmental Services contract. It has been determined that additional funds are needed to cover the remaining contract term for upcoming projects.

CONSEQUENCE OF NEGATIVE ACTION:

Environmental compliance clearances may not be completed and obtained in a timely manner, which may jeopardize funding and delay design and construction of Public Works infrastructure projects, and necessary maintenance actions.
