Subject: Increase the hours of one (1) Mental Health Community Support Worker II position in the Health Services department.

RECOMMENDATION(S):

ADOPT Position Adjustment Resolution No. 26008 to increase the hours of one (1) Mental Health Community Support Worker II (VQVB) position #13680 at salary plan and grade TC5-0968 (\$3,533 - \$4,294) from 36/40 to 40/40, in the Health Services Department.
(Represented)

FISCAL IMPACT:

Upon approval, this action will result in an annual cost increase of approximately \$7,837 with pension costs already included. This increase will be fully funded by Mental Health Services Act revenues.

BACKGROUND:

Incumbents in this classification have the ability to request that their position hours be increased, as outlined in the Memorandum of Understanding between the County and Teamsters, Local 856. The incumbent has requested to increase their hours from 36/40 to 40/40. The Behavioral Health division has determined that the increase of hours as requested by the incumbent will better accommodate their clients in need of peer support services in the juvenile justice system.
