

Contra  
Costa  
County

To: Board of Supervisors  
From: Brian M. Balbas, Public Works Director/Chief Engineer  
Date: August 16, 2022

Subject: Consulting Services Agreement with DOKKEN Engineering, Countywide.

---

**RECOMMENDATION(S):**

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Consulting Services Agreement (contract) with DOKKEN Engineering, in an amount not to exceed \$800,000, for the period August 16, 2022 through August 16, 2025, to provide on-call structural engineering services, Countywide. (Project Nos. Various) (All Districts)

**FISCAL IMPACT:**

Work performed under this on-call contract will be funded by local, state and federal funds for road and flood control projects.

**BACKGROUND:**

The Public Works Department is involved in various projects in the County that require structural engineering services for road and flood control projects. After a solicitation process, DOKKEN Engineering was selected as one of eight firms to provide structural engineering services on an "on-call" basis. DOKKEN Engineering will be used to provide structural engineering service as in-house expertise is not available. This on-call contract

will be in effect for thirty-six months.

Government

BACKGROUND: (CONT'D)

Code Section 31000 and 4525 authorizes the County to contract for services, including the type of structural engineering services that DOKKEN Engineering provides.

CONSEQUENCE OF NEGATIVE ACTION:

Without approval from the Board of Supervisors, there is possible delay in completing projects requiring structural engineering services. Executing this contract will facilitate the process of design and construction for various Public Works projects requiring structural engineering expertise.
