### BACKGROUND: (CONT'D)

September 25, 2018, the Board of Supervisors approved Contract Amendment/Extension Agreement #26-591-2, UCSF Medical Center and UCSF and Benioff Children's Hospital for the transfer of patients and records from CCRMC to UCSF and Benioff Children's Hospital to extend the termination date to August 31, 2022.

The agreements have provided the transfer of patients from CCRMC, including inpatient units, ICU, NICU, PICU, and the Emergency Department, to UCSF for specialized medical services upon determination by the patient's physician. UCSF maintains a regional Pediatric and Neonatal Critical Care Center equipped and staffed to provide a full range of pediatric and neonatal medical and surgical services for critically ill pediatric and neonatal patients, services which CCRMC is not equipped to provide.

Approval of Contract Amendment/Extension Agreement #26-591-3 will allow the contractor to continue providing transfer of patients and records services through August 31, 2025.

### CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, this contractor will not continue providing transfer of patients and records services for CCRMC patients in critical medical need.
