BACKGROUND: (CONT'D)

programs throughout the state. The HCBS SNI grant resulted from this legislation, and County received notification from CDA that it had been approved for \$1,122,039 in SNI grant to provide one-time support to help improve the capacity and infrastructure of senior nutrition programs in Contra Costa. The SNI grant funding period is July 1, 2022 through December 31, 2024. As the administrator the County's Older Americans Act Title IIIC Elderly Nutrition Program, which includes home-delivered and congregate meal services, the Area Agency on Aging (AAA), a division in EHSD's Aging and Adult Services Bureau, will apply for the SNI funding with CDA and oversee the vetting, procurement, management, and monitoring of projects funded under the SNI grant. SNI offers an opportunity for the AAA to enhance the viability and increase the capacity of its community-based senior nutrition program partners that serve the nutritional needs, provide critical well checks, and encourage social connections of eligible older persons, adults with disabilities, and family caregivers in Contra Costa.

CONSEQUENCE OF NEGATIVE ACTION:

Without the SNI grant, the County forgoes this one-time opportunity for EHSD to improve and address the capacity and infrastructure needs of Contra Costa's senior nutrition program.
