RECOMMENDATION(S):

ACCEPT the Health Care for the Homeless Annual Update report and presentation from the Health Services Department, as recommended by the Family and Human Services Committee.

FISCAL IMPACT:

There is no fiscal impact for this action.

BACKGROUND:

Since 1990, the Health Care for the Homeless (HCH) Program has provided health care services to the homeless population in Contra Costa County through mobile clinics, stationary health centers, the Concord Medical Respite facility, street medical outreach clinics and the medication-assisted treatment program.

The Family and Human Services Committee (FHS) received the attached Health Care for the Homeless report and presentation at its June 27, 2022 meeting and directed staff to forward it to the Board of Supervisors for its information. The delay in getting the report to the Board of Supervisors is due to administrative staff oversight after FHS approval.
