Contra Costa County. Public Health Foundation Enterprises, Inc. has been providing services to the County under this contract since April 1, 2015.

On July 13, 2021, the Board of Supervisors approved Contract #25-071-10 with Public Health Foundation Enterprises, Inc. in an amount not to exceed \$6,776,769, for the provision of shelter, transitional and permanent supportive housing program for homeless youth and adults in Contra Costa County, for the period from July 1, 2021 through June 30, 2022.

Approval of Contract #25-071-11 will allow the contractor to continue to provide supportive housing services through June 30, 2023. The division undertook efforts to implement standardized program models to ensure consistency and accountability in the County's system of care. These program models were approved on June 2, 2022 by the Council on Homelessness and the Continuum of Care. Engaging in this standardized approach resulted in delays with the delivery of contracts across the division's provider network. This contract was further

delayed due the meet and confer processes as requested by our labor partners. The County has met its obligations with the respective labor partner(s).

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, the County will lack adequate capacity to continue operating its three emergency shelters and formerly homeless individuals will experience longer wait times for shelter and respite services and will not have the needed supportive housing services.
