On August 11, 2020, the Board of Supervisors approved Grant Agreement #28-929 to allow the County to receive \$100,000 for the implementation of the Green and Healthy Homes Program through December 31, 2021.

On October 5, 2021, the Board of Supervisors approved Grant Amendment #28-929-1 which extended the term of the grant from December 31, 2021 to June 30, 2022 with no change in the amount payable to the County.

BACKGROUND: (CONT'D)

Approval of Grant Amendment Agreement #28-929-3 will extend the term of the the Green and Healthy Homes Program through December 31, 2023. The agreement extension is needed due to the impacts of the COVID-19 pandemic, which caused delays in services. This agreement includes mutual indemnification to hold harmless both parties for any claims arising out of the performance of this contract.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, the County will not be able to continue the Green and Healthy Homes Program and CCHP members with asthma will be negatively impacted.
