the U.S. Department of Agriculture to improve the health of low-income persons aged

### BACKGROUND: (CONT'D)

60 and older by providing evidence-based nutrition education and obesity prevention services. CDA awarded the County \$585,201 to implement SNAP-Ed/CalFresh Healthy Living in Contra Costa through Agreement CF-2223-07. The Area Agency on Aging (AAA), a division in the Employment and Human Services Department (EHSD), implements the program by contracting with a community-based agency to provide services directly to low-income older individuals to improve nutritional health, disseminate nutrition education literature and information, and deliver evidence-based activities that improve health. Through this agreement, low-income older adults in Contra Costa County can receive SNAP-Ed services from October 1, 2022 through September 30, 2025.

### CONSEQUENCE OF NEGATIVE ACTION:

Without funding, nutritional health and obesity prevention education services for low-income older adults could not be provided.
