On June 8, 2021, the Board of Supervisors approved Contract #24-958-30 with Rubicon Programs Incorporated, in an amount not to exceed \$270,000 to provide mental health services to recipients of the CalWORKs Program and their children, including outpatient treatment, individual, group and family collateral counseling, case management, and aftercare services to reduce barriers to employment, for the period July 1, 2021 through June 30, 2022.

The delay of this contract was due to a loss of another provider causing the need for the contractor expand their program to East County. Due to an administrative oversight by division staff, there was not timely follow up to ensure that the new budget and program documents were completed for timely review and processing.

Approval of Contract #24-958-31 will allow the contractor to continue to provide mental health services to CalWORKs recipients through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, CalWORKs recipients will not have sufficient access to the mental health services they need.
