to their families as productive individuals.

On July 26, 2022, the Board of Supervisors approved Contract #24-259–72 with Center for Human Development, in an amount not to exceed \$780,600, to provide SAPT primary prevention program services, for the period July 1, 2022 through June 30, 2023.

Approval of Amendment Agreement #24-259-73 will allow the contractor to provide additional SAPT primary prevention program services through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, clients in Contra Costa County will not have access to the additional SAPT services being provided by the contractor, so that youth are provided an opportunity to prevent or recover from the effects of alcohol or other drug use, become self-sufficient, and return to their families as productive individuals.

CHILDREN'S IMPACT STATEMENT:

This Alcohol and Drug Abuse prevention program supports the Board of Supervisors' "Families that are Safe, Stable, and Nurturing" and "Communities that are Safe and Provide a High Quality of Life for Children and Families" community outcomes by providing individual, group, and family counseling; substance abuse education; rehabilitation support services; and substance abuse prevention services. Expected outcomes include increased knowledge about the impact of addiction; decreased use of alcohol, tobacco and other drugs; increased use of community-based resources; and increased school and community support for youth and parents in recovery.
