On November 5, 2019, the Board of Supervisors approved Standard Agreement #29-502-45 with DHCS, to pay the County an amount not to exceed \$64,760,373 to provide SUD prevention and treatment services, for the period from July 1, 2019 through June 30, 2022.

On April 20, 2021, the Board of Supervisors approved Amendment Agreement #29-502-47 with DHCS to decrease the amount payable by \$1,222,762 to new total of \$63,537,611 for continued Drug Medical Substance Abuse Treatment Services with no change in the original term.

BACKGROUND: (CONT'D)

Approval of this Standard Agreement #29-502-48 allows the County to continue to receive SABG allocation funds and allow the Department to continue providing substance abuse services to Contra Costa County residents, through June 30, 2027. In accordance with this agreement, the County agrees to indemnify and hold the State harmless for claims arising out of the County's performance under the Agreement.

This agreement is being processed late due to language revisions by DHCS regarding new federal and state requirements.

CONSEQUENCE OF NEGATIVE ACTION:

If this agreement is not approved, the County will not receive funding to support the continuation of substance abuse services in Contra Costa County.
