Oberlin, M.D., for the provision of urology services at CCRMC and Health Centers, in an amount not to exceed \$930,000, for the period May 1, 2021 through April 30, 2024.

Approval of Contract Amendment Agreement #76-697-2 will allow contractor to provide additional urology services through April 30, 2024.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, the necessary urology services needed for patient care will not be available or will create increased wait times due to the limited number of specialty providers available within the community.
