

**Contra
Costa
County**

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: November 29, 2022

Subject: Submission of Grant Application #28-759-29 to the California Department of Resources Recycling and Recovery

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee (the Director of Environmental Health or Assistant Director of Health Services), to submit Grant Application #28-759-29 (TEA-30) to the California Department of Resources Recycling and Recovery (CalRecycle), to pay the County an amount of up to \$500,000 for the Environmental Health Waste Tire Enforcement Program, for the period from June 30, 2023 through September 30, 2024.

FISCAL IMPACT:

Approval of this application could result in revenues of up to \$500,000 from CalRecycle for the Environmental Health Waste Tire Enforcement Program. The funds are allocated and available from CalRecycle for grants to solid waste Local Enforcement Agencies (LEA) and cities and counties with regulatory authority within the city and county government to perform enforcement/compliance and surveillance activities at waste tire facilities. No County match is required.

BACKGROUND:

Contra Costa Environmental Health/General Programs is the solid waste LEA for the entire

County, including all incorporated cities except for the City of Pittsburg. CalRecycle has been delegated the responsibility for the administration of the program within the state, setting up necessary procedures governing application by cities and counties under the program. Since 2007, Contra Costa County has demonstrated it has sufficient staff resources, technical expertise, and/or experience to carry out the proposed program. The Program allows the County to monitor and reduce illegal waste tire practices, educate and enforce proper waste tire management and assist in reducing potential vector problems and prevention of tire fires and otherwise protecting public health safety.

Approval of Application #28-759-29 will allow Contra Costa County Environmental Health Services to apply for funds to continue implementing the Environmental Health Waste Tire Enforcement Program in the Health Services Department through September 30, 2024.

CONSEQUENCE OF NEGATIVE ACTION:

If this grant is not approved, the County will not seek available state funding for the monitoring and reduction of illegal waste tire practices, educating and enforcing proper waste tire management throughout the County, assisting in reducing potential vector problems and preventing tire fires, nor protecting public health and safety.
