K. Hayashi, M.D., Inc., in an amount not to exceed \$2,115,000, for the provision of radiology services including consultation, on-call coverage and interpretation of Computed Tomography (CT) Scans, Magnetic Resonance Images (MRIs), Ultrasounds, invasive procedures and plain films for CCRMC and Contra Costa Health Centers, for the period from October 1, 2021 through September 30, 2024.

If this amendment is not approved, the additional specialty radiology services needed for patient care will not be available and will result in increased wait times due to the limited number of specialty providers available within the community.
