To: Board of Supervisors  
From: Anna Roth, Health Services Director  
Date: January 10, 2023

Subject: Purchase Order with Sanofi Pasteur Inc.

**RECOMMENDATION(S):**

APPROVE and AUTHORIZE the Purchasing Agent, or designee to execute, on behalf of the Health Services Director, a purchase order with Sanofi Pasteur Inc., in an amount not to exceed \$375,000 for the purchase of vaccines and injectable medications at the Contra Costa Regional Medical Center (CCRMC) and Health Centers, for the period from January 1, 2023 through December 31, 2023.

**FISCAL IMPACT:**

Approval of this action will result in expenditures of up to \$375,000 for vaccines and injectable medications and will be 100% funded by Hospital Enterprise Fund I revenues.

**BACKGROUND:**

Sanofi Pasteur Inc. furnishes pharmaceuticals for patient care provided in the hospital and the clinics. These vaccines and other injectable medications are essential for patient care. Sanofi is the maker of critical injectables for the hospital including Insulin for Type I and Type II diabetic patients, vaccines, and different immune globulin formulations including Immune globulin intravenous (IGIV), a life-saving medication used to treat primary immunodeficiency to reduce the risk of infection in individuals with poorly functioning

### BACKGROUND: (CONT'D)

IGIV is also used to increase platelets (blood clotting cells) in people with idiopathic thrombocytopenic purpura (ITP) and to prevent aneurysms caused by a weakening of the main artery in the heart associated with Kawasaki syndrome.

On December 7, 2021, the Board of Supervisors approved agenda item C.66 to execute purchase order #23975 with Sanofi Pasteur, Inc. in the amount of \$375,000 for the purchase of vaccines and injectable medications at CCRMC for the period from January 1, 2022 through December 31, 2022.

Approval of the requested purchase order will allow this vendor to continue providing vaccines and injectable medications to CCRMC and Health Centers through December 31, 2023.

### CONSEQUENCE OF NEGATIVE ACTION:

If this purchase order is not approved, the County will not be able to provide needed vaccines and other pharmaceutical products to our patient population at CCRMC and Health Centers. As part of our responsibility as a health care organization, we must provide needed vaccinations to our patient population to prevent disease, as well as prevent the spread of disease.
