

**Contra  
Costa  
County**

To: Contra Costa County Flood Control District Board of Supervisors

From: Brian M. Balbas, Public Works Director/Chief Engineer

Date: February 7, 2023

Subject: Contract Amendment with KJELDEN, SINNOCK & NEUDECK, INC., Martinez area. (Project No. 7520-6B8285)

### **RECOMMENDATION(S):**

Acting as the governing body of the Contra Costa County Flood Control and Water Conservation District (FC District), APPROVE and AUTHORIZE the Chief Engineer, or designee, to execute a contract amendment with KJELDEN, SINNOCK & NEUDECK, INC., effective February 7, 2023, to increase the payment limit by \$620,000 to a new payment limit of \$3,013,020 for construction management and biological monitoring services, with no change to the term, Martinez area.

### **FISCAL IMPACT:**

This project, including the Contract Amendment, will be funded by 100% Flood Control Zone 3B Funds.

### **BACKGROUND:**

The FC District provides regional flood protection, technical information, hydrology data, and education to cities and residents, and environmental stewardship for over 70 miles of streams and several detention basins, as part of the County's flood protection system. The FC District is increasing the payment limit of its contract for construction management and biological monitoring services to continue ongoing work related to the Lower Walnut Creek

Restoration Project, which will improve native habitat and provide sustainable flood protection near the mouth of Walnut Creek on the southern shore of Suisun Bay.

**CONSEQUENCE OF NEGATIVE ACTION:**

Without the approval of the Board of Supervisors, the FC District will not be able to continue services for construction management and biological monitoring services on work related to the Lower Walnut Creek Restoration Project.
