

**Contra
Costa
County**

To: Contra Costa County Fire Protection District Board of Directors
 From: Lewis T. Broschard III, Chief, Contra Costa Fire Protection District
 Date: February 7, 2023

Subject: GEMT QAF Payment to California Department of Health Care Services CY 2022 Q1, Q2, and Q3

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Auditor-Controller, on behalf of the Contra Costa County Fire Protection District, to make a payment to the State of California Department of Health Care Services in an amount not to exceed \$2,023,034 for the Ground Emergency Medical Transportation Quality Assurance Fee for ambulance transports provided by the Contra Costa County Fire Protection District in the months of January through September (Quarters 1-3) of 2022.

FISCAL IMPACT:

The fiscal impact is revenue generating for the Contra Costa County Fire Protection District (District) due to the significant number of Medi-Cal transports within the District's ambulance operating area. Medi-Cal is the second highest payer type (second to Medicare). The net revenue the District receives will be calculated by multiplying the \$220.80 per transport uplift for Medi-Cal fee-for-service and Medi-Cal managed care transports less the \$34.02 Quality Assurance Fee (QAF) the District is required to pay on all transports.

The net revenue estimate (uplift less QAF) for the District for the current fiscal year is approximately \$2 million under these funding and fee parameters.

BACKGROUND:

The Centers for Medicare and Medicaid Services (CMS) approved State Plan Amendment (SPA) 18-004 authorizing the Ground Emergency Medical Transportation (GEMT) Quality Assurance Fee (QAF) program in March 2019. QAF is an add-on fee used to increase Medi-Cal funding. Essentially, emergency medical transportation providers in California must pay this fee on all transports, and in return, providers receive an uplift that increases the Medi-Cal reimbursement base rate for Medi-Cal fee-for-service and managed care recipients. The GEMT QAF program increases the historic base rate of Medi-Cal reimbursement by \$220.80 per transport. The GEMT QAF program, therefore, increases the per transport reimbursement from the historic base rate of \$118.20 to \$339.00.

To fund this program, the State of California Department of Health Care Services (DHCS) began assessing all transport providers within the State of California a fee of \$25.23 per transport effective July 1, 2018. The fee was increased to \$26.07 for FY 2019-20, to \$32.30 for FY 2020-21, and to \$33.42 for FY 2021-22. The current rate of \$34.02 in effect for FY 2022-23 is assessed on ground emergency medical transports with dates of service beginning January 1, 2022 through December 31, 2022.

The District received the attached invoices from DHCS on January 19, 2023. The invoices are for the period January, February, March (Quarter 1), for \$662,403.42; April, May, June (Quarter 2), for \$688,768.92; and July, August, September (Quarter 3), for \$671,860.98.

This request is for calendar year 2022 quarter 1-3 fees (for January-September 2022 transports). The payment for Quarter 1 is due on February 1, 2023, Quarter 2 is due on March 1, 2023, and Quarter 3 is due on April 1, 2023. State program representatives indicated there are no exceptions and late fees may be assessed by the State for payments not received by the due date.

CONSEQUENCE OF NEGATIVE ACTION:

The QAF payment is mandatory for all providers (public and private) within the State. If not paid, the State can assess late payment penalties and withhold provider payments for ambulance services provided to Medi-Cal recipients.
