The Fire District maintains

BACKGROUND: (CONT'D)

a State Accredited Fire Academy (facility, equipment, props, and classrooms) that provides the location for the Los Medanos College ARTP.

The Training Facility Use Agreement permits the College District to deliver their ARTP using the Contra Costa County Fire Protection District Training Center.

The Fire District needs to perform maintenance on its training tower. Practice fire training drills cause extreme wear on the structure and it requires periodic refurbishing to keep it in good condition.
