BACKGROUND: (CONT'D)

will be able to continue to provide chiropractic services at CCRMC and Contra Costa Health Centers under the Schick Chiropractic Inc. contract through December 31, 2025. This contract request is retroactive due to the contractors' business status change, and their need to register with the Secretary of State and to submit required forms to the County.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, the necessary specialty chiropractic services needed for patient care will not be available and will create increased wait times due to the limited number of specialty providers available within the community.
