Subject: Contract with Star View Behavioral Health, Inc., dba Star View Adolescent Center for Residential Placement Services

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute a contract with Star View Behavioral Health, Inc., in an amount not to exceed \$476,453 to provide residential placement services for the period July 1, 2023 through June 30, 2024.

FISCAL IMPACT:

This contract is funded with 30% County General Fund and 70% State Realignment funds, all of which is already budgeted in FY 2023-24.

BACKGROUND:

Star View Behavioral Health, Inc. (Star View) provides residential placement services for youth who cannot live safely in family homes or lower level group care because of the nature and severity of their emotional and behavioral needs. Star View's locked Psychiatric Health Facility (PHF) and Community Treatment Facility (CTF) offer alternatives to repeated psychiatric hospitalization and placement failures. Star View stabilizes, provides treatment, and then transitions youth to less restrictive placements, including with family, foster families, or lower level group homes as part of each youth's long-term permanency

BACKGROUND: (CONT'D)

The sixteen (16) bed locked PHF will provide 24 hour intensive services to adolescents with severe emotional needs. This program provides intensive evaluation and treatment services, including the preparation of comprehensive multidisciplinary assessments by a psychiatrist, psychologist, social worker, rehabilitation therapist, and licensed nurse, the development of a coordinated treatment plan, and the provision of quality acute rehabilitative treatment services by a well qualified staff in a therapeutic milieu.

The CTF program will provide residential treatment services for clients under the age of 18 on a 24-hour/7-day/week basis to youth requiring a secured treatment facility due to their severe emotional needs. CTF residential services will include 24-hour supervision and nursing care, activity program, social services supports, room and board. Mental health services will be provided as medically necessary and designated per treatment plan.

Previous agreements for these services with the Agency were authorized by the Board of Supervisors on May 24, 2022 (C.39) for FY22/23 on June 8, 2021 (C.78) for FY21/22 and on Oct 13, 2020 (C. 11) for FY 20/21.

CONSEQUENCE OF NEGATIVE ACTION:

Dependent youth in need of integrated treatment services will not receive the skills to effectively manage the behavior(s) and symptoms that are a barrier to achieving and/or maintaining a residence in less restrictive environments, such as with a resource family.

CHILDREN'S IMPACT STATEMENT:

The services provided under this contract support all five of Contra Costa County's community outcomes: (1) "Children Ready for and Succeeding in School"; (2) "Children and Youth Healthy and Preparing for Productive Adulthood"; (3) "Families that are Economically Self-Sufficient"; (4) "Families that are Safe, Stable and Nurturing"; and (5) "Communities that are Safe and Provide a High Quality of Life for Children and Families" by providing residential placement services to youth who cannot live safely in family homes.
