BACKGROUND: (CONT'D)

pay agent for training vendors on behalf of all EASTBAY Works partner agencies. In this capacity, OPIC is responsible for contracting with and paying training vendors who provide Workforce Investment Act (WIA) related job and skills training to clients served by WDB.

The Workforce Development Board of Contra Costa County has received National Emergency Grant (NEG) New United Motor Manufacturing Incorporated (NUMMI) funding to expand and enhance services to Workforce Investment Act participants. A core component of these services is the availability of occupational training. This allows the Workforce Development Board, its One-Stop Career Centers and its youth providers to continue regular WIA training services and to expand training services to NUMMI and other eligible dislocated workers who are or were employed by secondarily-impacted firms and suppliers to NUMMI.

This Board Order authorizes the Director of the Employment and Human Services Department to increase the contract payment limit to OPIC by \$55,000 from \$803,300 to a new payment limit of \$858,300. The Workforce Development Board budget modifications breakdown as follows: WIA Adult 223,000; WIA Dislocated Worker 230,300; WIA Youth 50,000; ARRA WIA Adult 115,000; ARRA WIA Dislocated Worker 100,000; National Emergency Grant (NUMMI) funds 100,000; and ARRA WIA Rapid Response \$40,000. (#18-020-20)

CONSEQUENCE OF NEGATIVE ACTION:

Additional Dislocated Workers and adults will not receive Clinical Lab Scientist (CSL) Training.

CHILDREN'S IMPACT STATEMENT:

This contract supports all five of the community outcomes established in the Children's Report Card: 1) "Children Ready for and Succeeding in School"; 2) "Children and Youth Healthy and Preparing for Productive Adulthood"; 3) "Families that are Economically Self Sufficient"; 4) "Families that are Safe, Stable and Nurturing"; and 5) "Communities that are Safe and Provide a High Quality of Life for Children and Families," by assisting with training and employment services.
