Subject: 2010 Annual Report from the Integrated Pest Management Advisory Committee

RECOMMENDATION(S):

ACCEPT the 2010 Annual Report from the Integrated Pest Management Advisory Committee.

FISCAL IMPACT:

None.

BACKGROUND:

The County Board of Supervisors adopted an Integrated Pest Management (IPM) Policy in November 2002. An Integrated Pest Management Task Force was established to look at the County's pesticide use and ways of reducing that use through the practice of IPM. In January 2009, an IPM Coordinator was hired and in November 2009 the Task Force was dissolved and the IPM Advisory Committee was formed to take its place.

This is the first annual report from the IPM Advisory Committee, as required by the Board of Supervisors.
