BACKGROUND: (CONT'D)

and minimizes the need for crisis services and involvement with the Juvenile Justice System. On January 12, 2010, the Board of Supervisors approved Novation Contract #24-409-28 with The West Contra Costa Youth Services Bureau, for the period from July 1, 2009 through June 30, 2010, which included a six-month automatic extension through December 31, 2010, for the provision of wraparound services to SED children.

Approval of Novation Contract #24-409-29 replaces the automatic extension under the prior Contract and allows the Contractor to continue providing services through June 30, 2011.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, there will be fewer intensive services in West Contra Costa County, which could result in higher levels of care.

CHILDREN'S IMPACT STATEMENT:

This EPSDT program supports the following Board of Supervisors community outcomes: Children ready for and succeeding in school; Families that are safe, stable, nurturing; and Communities that are safe and provide a high quality of life for children and families.

Expected outcomes include all goals identified by Children's Statewide System of Care guidelines including an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS) and decreased use of acute care system.
