### BACKGROUND: (CONT'D)

and minimizes the need for crisis services and involvement with the Juvenile Justice System. On September 15, 2009, the Board of Supervisors approved Novation Interagency Agreement #74–193–8 with Mount Diablo Unified School District, for the period from July 1, 2009 through 30, 2010, which included a six-month automatic extension through December 31, 2010, for the provision of wraparound services for SED children and their families.

Approval of Novation Interagency Agreement #74–193–9 replaces the automatic extension under the prior Agreement and allows the Contractor to continue providing services through June 30, 2011.

### CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, SED children in the Mt. Diablo Unified School District will not receive needed wraparound mental health services, and may require crisis services or involvement with the Juvenile Justice System.

### CHILDREN'S IMPACT STATEMENT:

This EPSDT program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
