BACKGROUND: (CONT'D)

The primary purpose of the Commission is to serve in an advisory capacity to the Board of Supervisors and to the Mental Health Division and its staff.

Commissioners are appointed by members of the County Board of Supervisors from each of the five districts for a term of three years. Each district has a consumer of mental health services, family member and an at-large representative on the Commission, for a total of 15 members plus a representative from the Board of Supervisors.

The Consumer seat was vacated on April 13, 2010. Applications were accepted and reviewed by the Mental Health Commission and the Supervisor's office, and the recommendation to appoint the above individual was then determined.

CONSEQUENCE OF NEGATIVE ACTION:

The seat will remain vacant.

Not applicable.
