BACKGROUND: (CONT'D)

utilization of Clarity Software Solutions has been steadily increasing due to a general rise in enrollment and the State mandated transition of the fee-for-services “Seniors and Persons with Disabilities” (SPD) population into managed care. Starting in June 2011, this transition of SPD’s alone is expected to bring an additional 10,000 Medi-Cal SPD members into the Plan. These increased enrollment trends are what necessitate and increase in the payment limit of this Purchase Order.

CONSEQUENCE OF NEGATIVE ACTION:

If this Purchase Order is not approved, CCHP will not be able to continue routine monthly payments to Clarity Software Solutions, Inc., as the current Purchase Order will expire 3/31/2012, and current available funds have reached the PO payment limit.

CHILDREN'S IMPACT STATEMENT:

Not applicable.
