BACKGROUND: (CONT'D)

Emotionally Disturbed (SED) children, and their families.

On December 14, 2010, the Board of Supervisors approved Novation Contract #74-322-4 with Youth Homes Incorporated for the period from July 1, 2010 through June 30, 2011, which included a six month automatic extension through December 31, 2011, for the provision of residential day treatment services.

Approval of Novation Contract #74-322-5 replaces the automatic extension under the prior Contract and allows the Contractor to continue providing services through June 30, 2012.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, there would be fewer step-down group homes being used for placement of children who previously experienced higher levels of care, which may require higher levels of care, again.

CHILDREN'S IMPACT STATEMENT:

This Contract supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS) and placement at discharge to a lower level of care.
